

ÖIR consults public institutions on strategic issues with spatial dimensions. The scope of our activities ranges from urban and regional planning, to spatial and economic impact analyses, and European regional and rural development policy.

To expand our team, we are searching for an

Expert in European regional policy

At ÖIR you will be involved in research and consulting projects for European institutions (such as DG REGIO, DG AGRI, ESPON, Committee of the Regions, European Parliament). In addition, you will be working with clients at national level involved in the European, national, and regional implementation of European policies.

The successful candidate will

- ▶ have a university degree, such as in economics, political science, geography (spatial research), spatial planning,
- ▶ be highly interested in working on European policy topics,
- ▶ have (first) professional experience in contributing to studies and research projects in the field of European regional policy and/or rural development,
- ▶ have (first) experience in the preparation of project proposals/tenders,
- ▶ have professional command of German and English,
- ▶ be experienced with MS Office,
- ▶ enjoy in working independently and flexibly in interdisciplinary project teams.

We offer a job at 30 to 38.5 hours a week, with a gross monthly salary of EUR 3,130.00 at 38.5 weekly hours. Overpayment due to additional qualifications and work experience is possible.

If you are interested in a job with versatile and responsible activities and a cooperative atmosphere, we are looking forward to receiving your informative application by Friday, 9 October 2020, addressed to ÖIR GmbH, Iris Neulinger, neulinger@oir.at. The application should include a CV with a list of reference projects including the client, the duration of the project, and your role within the project.

With your application you agree to the processing of your data in the course of the application process: The information you provide will be used exclusively for the processing of your application, will not be passed on to third parties and, in case of electronic storage, will be deleted after a maximum of two years. You can revoke your consent at any time.
